EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Lary Ashery on September 24, 2007.

The application has been amended as follows:

In claim 21, line 1, the preamble "A program of causing a computer to serve as:" has been changed to --A computer readable medium storing a computer program of causing a computer to serve as:--.

In claim 22, line 1, the preamble "A program of causing a computer to serve as:" has been changed to --A computer readable medium storing a computer program of causing a computer to serve as:--.

Claim 23 has been canceled.

These changes will place this application in condition for allowance.

2. The following is an examiner's statement of reasons for allowance:

The present invention is directed to a repeat field detecting apparatus and method. Each dependent claims identifies the uniquely distinct features: "M/N ratio calculating means of obtaining an N component which is the number of discrepancy pixels between repeat fields and an M component which is the number of discrepancy pixels between at least a pair of fields which are other than said repeat fields and have

said predetermined distance from each other, and then calculating an M/N ratio which is the ratio of said M component to said N component; RF determination reliability calculating means of outputting the reliability of the determination result of said first RF determining means on the basis of the output of said M/N ratio calculating means; and M/N ratio adaptive repeat field confirming means of confirming the output of said first RF determining means as the determination result on the basis of said reliability outputted from said RF determination reliability calculating means". All the references of record, either singularly or in combination, fail to anticipate or render the above underlined obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Trang U. Tran whose telephone number is (571) 272-7358. The examiner can normally be reached on 8:00 AM - 5:30 PM, Monday to Friday.
